INSURANCE INFORMATION, FINANCIAL AGREEMENT**

Patient Name (Printed): _____

MEDICARE: I request that payment of authorized Medicare benefits be made on my behalf to Florida Vision Institute, for services furnished to me. I authorize any holder of medical information about me to release to the Centers for Medicare and Medicaid Services (formerly Health Care Financing Administration) and its agents any information needed to determine these benefits payable for services. I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If other health insurance is indicated as a Secondary Insurance (in Item 9 of the HCFA 1500 claim form or electronically transmitted), my signature authorizes releasing the information to the insurer shown. Florida Vision Institute, accepts the charge determination of Medicare and I am responsible for coinsurance, deductibles and non-covered services.

OTHER INSURANCE: I request that payment of authorized benefits be made on my behalf to Florida Vision Institute for services furnished to me. I authorize any holder of medical information about me to release to my insurance company any information needed to determine benefits payable for services. I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim.

DILATED EXAMINATIONS: In the event the doctor has to dilate or parch my eye, I am aware that I may experience blurry vision, light sensitivity, and or decreased depth perception. For this reason, it is suggested that you have someone to drive you home.

FINANCIAL AGREEMENT: I agree that in return for the services provided by Florida Vision Institute, I will pay my account at the time service is rendered or will make financial arrangements satisfactory to the practice. If my account is sent to collection, I will be responsible for the existing outstanding balance along with a 35% collection agency's fee. If further action is required, then I will also be responsible for any attorney fees as established by the court. In case of a check being returned, there will be a service charge of \$25. Most insurances require you to pay co-payments and deductibles. These are due, if known, at the time of service as well as any non-covered services. It is understood that I am primarily responsible for the payment of any services not covered by my insurance.

DIAGNOSTIC REFRACTION TEST

Non-Covered Service Policy

A *REFRACTION* is a diagnostic test used by your doctor to determine the cause of decreased visual acuity. It is done routinely to diagnose the need for a change in prescriptive eyewear, to determine the need for surgery (e.g. Cataract), and to rule out eye diseases as the cause of diminished vision.

Most insurance companies, including Medicare and HMO's, **DO NOT PAY** for this diagnostic test. It is considered a Non-Covered Service for which the patient is responsible for payment.

The fee for this test is \$65.00, payable on the day of service. If your insurance company pays for this specific test, you may submit the bill for reimbursement. If we receive payment from your insurance company for the service, we will reimburse you the amount covered by your insurance.

I, _____ understand that
(Print Name)

a Diagnostic Refraction Test is not a covered service by most insurance companies. I agree to be responsible for the \$65.00 testing fee on the day of service.
